Birlasoft **Protechs**

System Administration Services for SAP SuccessFactors

Certain Outcomes in Uncertain Times

Improve Productivity, Performance and ROI
Reduce Risk, Admin Tasks and Expense

Birlasoft **Protechs** is intended for temporary or permanent outsourcing of the critical role of SuccessFactors System Administration for companies that may not have the ability or budget to staff this role internally.

We provide peace of mind that the role will always be filled no matter the situation at the company and at a significant savings over the average cost to staff internally. Plus, you have the backing and resources of one of the industry's leading SuccessFactors Experts.
