PRESS RELEASE

June 14, 2019 | Pune and Bengaluru, India: Birlasoft [BSE: 532400, NSE: BSOFT], part of the USD 2.4 billion diversified [The CK Birla Group](#) announced that [Kapil Uniyal](#), VP & SBU Head, Infrastructure and Cloud Technology Services, Birlasoft was bestowed with an award for the company's distinguished work in **'Smart Datacenter Management'** in the **'Automation'** category, at the 7th Datacenter Summit and Awards, held in Bengaluru earlier this month.

The award signifies the organization's investments in new technologies, and its commitment towards providing impressive customer experiences for clients worldwide. Over the past decade, Birlasoft has been diligently working towards enhancing its portfolio of cloud-based technologies to reimagine digital transformation and help raise Enterprises to the Power of Digital.

"I am delighted to receive the award, which is testimony of our industry-endorsed solutions in the Datacenter Automation domain. We are constantly investing in automating Datacenter and cloud operations, using AI, ML, bots, etc. which are helping our clients achieve enhanced user experience along with operational efficiencies and lower costs", said Kapil Uniyal on receiving the award.

Birlasoft's [Infrastructure and Cloud Technology Services](#) team has successfully implemented innovative solutions, which simplify deployments and end-to-end operations and management of Datacenters for global organizations from across varied industry sectors, including Retail, Manufacturing, Life Sciences and Healthcare, BFSI to name a few.

Kapil was also a key panelist at the Panel Discussion conducted during the event titled, 'Future of Energy Efficiency and Technology for Green Datacenters', where he spoke about the need to build sustainable datacenters which ensure energy efficiency for cost and performance optimization in Datacenters. More than 150 delegates and speakers, including CIOs, CTOs, IT Heads from reputed organizations across diverse sectors, including Banking, Retail, Insurance, Manufacturing, Telecom and IT/ITeS attended the summit.

The summit was organized **UBS Forums** - a leading provider of content driven, information rich business conferences. To read more about the event, [click here](#).
