

## Management Committee

Vasan Srinivasan  
President - Americas

Kumar 'Vasan' Srinivasan, President - Americas, Birlasoft comes to us with a 25+ year global track record of delivering high growth results in Outsourcing, Offshoring, and Consulting businesses in global companies such as Cap Gemini, EDS, and FIS. Vasan is responsible for the complete P & L of Americas Geo and for achieving the agreed upon revenue targets for the company in Americas region.

He has sold, negotiated, or managed the sales of deals ranging from a million to multi-billion dollars.

Vasan's leadership style in his own words *"I am passionate about building long-term relationships - with employees and with clients. Because the client is at the core of a service company's viability and growth, I believe their needs are paramount and must receive every employee's foremost attention"*.

Vasan joins us from FIS where he was working as Senior Vice President - Consulting and Professional Services Division, where he led the creation of a \$150M corporate-wide Services Division.

He has a degree in Electrical & Electronics engineering from the University of Madras, India, and an MBA from Duke University, NC, USA.
